Exchange programme certificate of studies

We hereby certify that the student:

Surname **Pühl**
Name **Julia**
Date of birth **2/25/1996**
Enrolment number **21-993-068**

has sat the following exams at the Faculty of Informatics of the Università della Svizzera italiana (Switzerland) within the student exchange programme *Swiss European Mobility Programme* in the spring semester of the academic year 2021-2022 (September 20, 2021 - September 18, 2022)

Exams	ECTS*	Grade**
• Absolute beginner intensive Italian language course, level A1 of the European Council reference frame	2	pass
• Computational Fabrication	6	7
• Philosophy and Artificial Intelligence	6	9
• Pre-Elementary semester-time Italian language course, level A1-A2 of the European Council reference frame	1	pass

* ECTS = European Credit Transfer System. 1 ECTS credit point equals a total of 25-30 hours of work for the student. ECTS credits are only given if the student passed the examination.

** Examinations are assessed and graded: either on a scale of 1 (minimum) to 10 (maximum), including half (0.5) points, and where 6 is the pass mark; or on a binary scale (pass or fail).

In the recovery exam sessions examinations are graded on a binary scale (pass/fail), where pass is equivalent to 6.

Yours faithfully,

Prof. Natasha Sharygina
Mobility delegate

Università
della
Svizzera
italiana

Copy of this certificate is sent to the Coordinator of the Study Abroad Office of the home institution.

The present decision may be challenged by means of an appeal to the Faculty within 30 days of notification, in conformity with article 39, Study Regulations of the Faculty of Informatics.

Marks below 6 are considered fail. Marks equal to or higher than four and less than six may be admitted to the recovery exam session. Marks lower than four must repeat the entire course (article 26, Study Regulations of the Faculty of Informatics).
